

WINTER 2016

**INSIDE THIS ISSUE:**

- CURBSIDE COLLECTION** 2
- WINTER PARKING RESTRICTIONS** 3
- FIRE DEPARTMENT UPDATES** 4
- CARBON MONOXIDE SAFETY** 5
- SPRING BRUSH PICK UP** 6
- SNOW REMOVAL REMINDERS** 7
- RECREATION** 8
- LIBRARY** 10

**UPCOMING ELECTION DATES**

**SPRING PRIMARY ELECTION FEBRUARY 16  
PRESIDENTIAL PREFERENCE & SPRING ELECTION APRIL 5**  
Polls will be open from 7 a.m.–8 p.m.

Residents will vote in the **Community Center** located in the Municipal Building, 210 Cottonwood Avenue. In-person absentee voting is conducted for two weeks prior to the elections as follows during the hours of 8:00 a.m. to 4:30 p.m.

Feb. 16 election	Mon., Feb. 1 –Fri., Feb. 12
April 5 election	Mon., Mar. 21–Fri., April 1

A sample of the ballot will be available for review on the Village website: [www.villageofhartland.com](http://www.villageofhartland.com) under Departments>Elections>Election Administration.

**NEW UTILITY PAYMENT OPTIONS**

Pay anytime  
from anywhere!

- We accept
- Checks
  - Savings
  - VISA
  - MasterCARD
  - Discover
  - American Express

Authorized Payment Processor

We have great new services available—electronic payments and bills. You can now pay your water & sewer bill online, by mobile device or by calling a toll-free number. You can also view your bill online. Please consider opting out of receiving paper bills to help save resources. We will send you an email each time a new bill is ready to view. Give our new services a try; we are sure you will love the convenience!

**ONLINE** (make a payment, view bill, view balance due)

Go to [www.VillageofHartland.com](http://www.VillageofHartland.com). Select “Online Payments”. You will go to our payment process, PSN, to register and make your first online payment or view your bill. Future payments will be three quick steps. You don’t have to pay online to view your bill online.

**DOWNLOAD OUR APP** (make a payment, view balance due)

Download “PSN Payments” from the App Store or Google Play. TIP: Register online before using the app to set up your user ID and password.

**CALL TO PAY** (make a payment, hear amount due)

Call toll-free 877-885-7968. Have your bill handy to provide your customer number. On the first call, you will set up a payment account. Calls after that are just 4 steps to pay.

**TIPS & BENEFITS**

**Auto Pay:** Set it and forget it with Auto-Pay to make recurring payments for the amount of your bill.

**Avoid Late Fees:** Your online, mobile or phone payment posts the day you make it.

**More:** Print receipts, view payment history, change your payment method, change the date of or cancel your Auto Pay and more by using our online service.

## VOTER REGISTRATION

If you are eligible to vote in the Village of Hartland but have not yet registered, you are urged to do so now. While you may register to vote at the polls on an Election Day, this may cause a delay particularly during a high turnout election.

- **By mail.** You may register by mail up to 20 days before an election. Your registration form must be completed, signed and mailed or delivered to the Village Clerk's office. You must always provide a Proof of Residence document when registering. If you are registering by mail, you can use any of the forms of Proof of Residence allowed except a residential lease.
- **In the Clerk's office.** You may register in-person up until the Friday before the election at 5:00 p.m.

The Voter Registration application is available on the Village's

website [www.villageofhartland.com](http://www.villageofhartland.com) under Elections.

If you have been issued a WI driver license or WI DOT-issued ID that is current and valid, you must provide the number and expiration date. You must also provide a Proof of Residence document when registering to vote. A Proof of Residence Document proves where you live in Wisconsin. A listing of acceptable documents is also available on the Village website. Photo ID is never required when registering to vote. Voters must reside at their address for at least 28 days by Election Day to register to vote. Voters who have moved within Wisconsin less than 28 days before the election must vote from their previous address. Voters who have moved to Wisconsin from another state less than 28 days before an election are only eligible to vote in Presidential elections.

## CURBSIDE COLLECTION SERVICE

Residential property owners have received two carts; one 64-gallon for garbage and one 96-gallon for recycling. Both refuse and recycling is collected from all households curbside on Tuesdays. Refuse/garbage is collected weekly from the container provided while recyclable materials are collected every other week. The 2016 garbage/recycling calendar on the Village's website shows recycling dates as either Week A or Week B. Locate your street on the correct recycling map to verify your pickup dates.

Residential property owners are required to bring the carts to the curb by 6:30 a.m. on collection days. All garbage and recycling materials must be kept separate and placed inside their respective cart.

Important reminders:

- Do not place the carts in the street
- Place carts with the handles and wheels facing away from the street
- Containers must be at least 3 feet apart from each other and other items such as poles and mailboxes.

- Do not place your containers out earlier than the day before collection day and be sure to take them back by the morning after collection day

Households that may need additional capacity for refuse and recycling have several options including the purchase of additional collection service. Households that are physically unable to move the containers to the curbside are encouraged to contact the Village.

## DRUG COLLECTION

In order to reduce substance abuse, prevent childhood poisonings and help protect our environment, citizens may bring their unwanted or unused prescription or over-the-counter medications, sprays, inhalers, ointments, creams,

vials, herbals, or pet medications to the Village Hall 24 hours every day for disposal. Illegal drugs/paraphernalia are also accepted with no questions asked. Green containers are available just inside both the east and west lobbies of Village Hall for the collection of these items. You may also use the main Police Department lobby to drop off items during normal business hours.

Please do not drop off any hazardous

materials or waste such as household cleaners, paint etc. or any items containing or exposed to bodily fluids.

Remember that no medications should ever be disposed of by flushing down a toilet. Let us dispose of them properly for you. If you have any questions regarding this program, please contact the Police Department at (262) 367-2323.

## HOUSE NUMBERS

Municipal Ordinance 78-30 specifically states that all residential and business buildings must have the address clearly posted on the street side of the structure, with numbers being no less than 2 1/2 inches in height (suggested to be reflective). This is primarily for safety reasons so that the Police or Fire Depart-

ment may find the property in an emergency. Keep in mind that the 911 system tracks to an address and dispatches the correct police and fire agencies. Please make sure the numbers are clearly posted and visible from the street, usually posted near a doorway.

## WINTER PARKING RESTRICTIONS

Winter parking restrictions in the Village are in effect from November 1st through March 31st. Parking restrictions prohibit parking on all village streets between the hours of 2:00 AM and 8:00 AM.

If you wish to park on the street, call 367-2323 after 3:00 PM each day to determine if parking permission is approved or denied for each morning. You may also go to [www.villageofhartland.com](http://www.villageofhartland.com)

under Hartland Help Center for the winter parking restrictions and the most current message.

If you wish to receive daily messages about winter parking, go to Notify Me on the Village website to sign up. To receive notifications related to parking restrictions, you will need to provide an email address. If you prefer to receive these messages by text, enter your mobile

number.

Parking citations will be issued to vehicles that park on any village street when the message states that parking is denied. A tow notice may also be attached to a vehicle and if the vehicle is not removed in the timeframe listed on the notice, the vehicle will be towed at the owners expense.

## WILEAG ACCREDITATION

The Hartland Police Department has been working toward achieving accreditation from the Wisconsin Law Enforcement Accreditation Group. WILEAG assessors were on-site in November reviewing policies, interviewing staff and community members as well as conducting a public hearing. It is anticipated that WILEAG will determine whether accreditation will be granted in late December. Once accredited, the department will be one of only a few accredited agencies in the State of Wisconsin.

## ILLEGAL SIGN PLACEMENT

Village ordinances prohibit the placing of any signs in a right-of-way owned by the village, county, or state. In addition, permission must be received from a property owner before placing any signs. Any signs observed to be illegally posted

will be removed by the police department and discarded. The normal violations we observe involve rummage sale signs, campaign signs and realty signs. Contact the Police Department at (262) 367-2323 if you have questions before posting signs.

## COMMUNITY NOTIFICATIONS

The Police Department is a member of two nationwide notification networks. In the event an emergency message needs to be sent out to a targeted area of the community, we would utilize the services of one of these networks. The networks utilized are "A Child Is Missing" which is primarily for missing children and at-risk

adults and "MyStateUSA" which can be used for emergency notifications such as evacuations, sex offender notifications and weather related alerts. If you are interested in signing up to receive these messages on your cell phone, email [police@villageofhartland.com](mailto:police@villageofhartland.com) and we will send you the information.

**The Hartland Police Department is an authorized agent of the Wisconsin Dept. of Motor Vehicles to provide vehicle registration and renewal services. Call (262) 367-2323 during normal business hours if you have questions.**

## FIREPLACE SAFETY

Before starting a fire, be sure to clean out the ashes. Use a metal container to dispose of cooled ashes and store the container outside. Your chimney should be cleaned and inspected annually, including the flue and damper. Always remember to open the flue or the damper before lighting a fire!

### FIREWOOD AND MANUFACTURED FIRE LOGS

- Only burn dry, well seasoned firewood.
- Manufactured fire logs are cleaner and safer than firewood. Never use more than one at a time.
- Never add an artificial log to a natural wood fire that is already burning.
- Never poke artificial logs or break them.

### SAFETY TIPS

- Always use a fireplace screen or enclosure to keep sparks from escaping, unwanted material from going in, and to help prevent the possibility of burns to occupants.
- Never burn paper, garbage or charcoal in a fireplace.
- Make sure that any decorations are well away from the fire.
- Before you go to sleep, be sure your fireplace fire is out. Never close your damper with hot ashes in the fireplace. A closed damper will help the fire to heat up again and will force toxic carbon monoxide into the house.
- Do not use flammable liquids to start or accelerate any fire.

The Survive Alive House was dedicated as the Allen “Augie” Wilde Education Center at a ceremony held on Dec. 7 at the Hartland Fire Department.

## BE WARM & SAFE THIS WINTER!

There is something about the winter months and curling up with a good book by the fireplace. But did you know that heating equipment is one of the leading causes of home fire deaths? With a few simple safety tips and precautions you can prevent most heating fires from happening.

- Keep anything that can burn at least 3 ft. away from heating equipment like the furnace, fireplace, wood stove or portable space heater.
- Have a 3 ft. “kid-free-zone” around open fires and space heaters.
- Never use your oven to heat your home.
- Have a qualified professional install stationary space heating equipment, water heaters or central heating equipment according to the local codes and manufacturer’s instructions.

- Have heating equipment and chimneys cleaned and inspected every year by a qualified professional.
- Remember to turn portable heaters off when leaving the room or going to bed.
- Always use the right kind of fuel, specified by the manufacturer, for fuel burning space heaters.
- Make sure the fireplace has a sturdy screen to stop sparks from flying into the room. Ashes should be cool before putting them in a metal container. Keep the container a safe distance away from your home.
- Test smoke alarms monthly.

As you stay warm and cozy this winter, **be fire smart!**

Did you know...

Heating equipment is involved in **1** of every **6** home fires and **1** in every **5** home fire deaths.

## CARBON MONOXIDE SAFETY

Carbon Monoxide (CO) is a poisonous gas with no odor. It can make a person feel sick and can be deadly. In the home, heating and cooking devices that burn fuel can be sources of carbon monoxide.

### CO ALARMS

- CO alarms should be installed outside each sleeping area. Install alarms on every level of the home. It is best to use interconnected alarms. When one sounds, all CO alarms in the home sound.
- Follow the instructions on the package to properly install the CO alarm.
- Test CO alarms at least once a month.
- Replace CO alarms according to the instructions on the package.
- Know the sounds the CO alarm makes. It will sound if CO is detected. It will make a different sound if the battery is low or if it is time to get a new CO alarm.
- If the battery is low, replace it.
- If the CO alarm sounds, you must get fresh air. Move outdoors, by an open window or near an open door. Make sure everyone in the home gets to fresh air. Call the fire department from a fresh air location. Stay there until help arrives.

### PREVENT CO POISONING

- When warming a vehicle, move it out of the garage. Do not

- run a fueled engine indoors, even if garage doors are open. Make sure the exhaust pipe of a running vehicle is not blocked. Clear snow away.
- During and after a snowstorm, make sure vents for the dryer, furnace, stove and fireplace are clear of snow build-up.
- Clear all debris from dryer, furnace, stove and fireplace vents.
- A generator should be used outdoors. Use in a well-ventilated location away from windows, doors and vent openings.
- Gas or charcoal grills can produce CO. Only use them outside.
- Have heating equipment and chimneys inspected by a professional every year before cold weather sets in.
- Open the damper when using a fireplace for adequate ventilation.
- Never use your oven or stove to heat your home.

### Did you know...

**CO is called the invisible killer because the gas cannot be seen or smelled. Take action to stay safe from CO poisoning.**

## PLEASE CLEAR SNOW AND ICE!

The Hartland Fire Department is requesting that residents and business owners keep fire hydrants on or adjacent to their property free from obstruction of snow during the winter season. If possible, a three-foot radius clearance would be appreciated. During a fire seconds count, and firefighters can't afford to spend time gaining access to the hydrant.

As the snow and ice pile up over the winter, we are also asking that building owners, property managers and home owners have sidewalks and driveways clear of snow and ice in case of a fire or medical emergency. Having pathways clear allows our medical personnel to move the ambulance cot safely and quickly to and from the emergency. This will help to ensure the safety of the patient and crew.

Avoid slips and falls if you have to go out in icy conditions.

- Keep both hands free for balance rather than in pockets
- Use handrails when available
- Avoid carrying lots of heavy shopping bags, especially on steps
- Wear appropriate footwear. Flat footwear with rubber soles provides better traction on ice and snow than leather soled or high heeled shoes
- Avoid rushing or taking shortcuts over areas where snow and ice removal is incomplete

## MARK YOUR CALENDAR! SPRING BRUSH PICK UP SCHEDULED TO BEGIN MONDAY, APRIL 11TH

The Village of Hartland will be conducting the Village-wide spring brush pick up beginning Monday, April 11, 2016. The Department of Public Works makes one pass only through the Village during this week. **Residents must have brush to the curb by that Monday to ensure pick up will occur.**

Please remember to follow these simple rules.

- All brush must be placed curbside by 7:30 a.m. on Monday, April 11th.
- Brush must be placed at the curb or street edge so it does not interfere with traffic or pedestrians.
- Brush must be cut into 10-foot lengths or less. Side branches more than 2 inches in diameter must be cut from the main branch.
- No branches larger than 6 inches will be accepted.
- All brush should be stacked into neat piles and not entangled. The cut ends should face the street for ease of collection.
- No wire, plastic, metal, lumber, rail ties, stumps, rocks or gravel will be collected.
- No grass clippings, leaves or other yard waste will be picked up.

FREE wood chips and compost will be available for the public after the collection is completed. These materials will be located outside of the fenced in area at the DPW Garage located at 701 Progress Drive. You will need to bring containers to remove these items.

### BUYING OR SELLING A HOME?

Please contact our office when buying or selling a home to make sure that your Water & Sewer Account has the correct billing name and address on it. The only way we find out if a home has sold is if the buyer or seller provides us with that information. Please email the information to [faithk@villageofhartland.com](mailto:faithk@villageofhartland.com) or call 262-367-2714.

## SALT BRINE DEICING

This winter the Village continues to use a new tactic to treat streets for snow and ice. Before a snow or ice event begins, crews line the streets with salt brine, a clear water and sodium chloride solution. The brine solution is sprayed out of a truck onto the roadways and the liquid evaporates leaving behind the salt on the road. When the snow starts falling, the snow interacts with the salt residue, melting the initial snowfall and creating a salt solution that helps to prevent the snow from packing down on the roadway. Many factors are considered prior to brine application. This practice is currently being used on major roadways as well as minor roadways that have steep grades.

The use of the salt brine process for winter weather events is a cost-saving measure that will enhance the Village's ability to keep streets clear in the winter, while conserving the salt stockpile for more major storm events. Pre-treating reduces over-time and greatly reduces the total cost of treatment, as once the snow/ice has bonded to the pavement, it is more expensive and time consuming to remove. Beyond the material and labor

savings, the ability to provide a treatment at the earliest stages of a winter event, when drivers are most likely to overestimate the driving conditions, provides an additional savings by reducing the frequency of traffic crashes.

Above: A Department of Public Works truck is applying the salt brine solution to a Village roadway.

## MAILBOX REMINDERS

The Village of Hartland encourages every property owner with a mailbox to check for its proper location (please see the diagram) and sturdiness. Each property owner is responsible for the installation and maintenance of their mailbox and this includes having it on a sturdy base and firmly attached to its support post.

The Village's mailbox damage replacement policy states that only mailboxes that are actually hit by the snowplow and are properly installed are eligible for reimbursement. Reimbursement will not be made if a mailbox gets knocked over from the weight of recently plowed snow. A properly installed and maintained mailbox will hold up to the snow that comes off the plow's blade. The total value from reimbursement through the Village's policy is limited to a maximum of \$75.

## SNOW, IT'S BACK!

The Village of Hartland is again asking for the assistance of residents to ensure the success of winter snow removal operations.

- **Recycling cart placement.** Cart must be placed with lid opening toward the street at the back of the curb or shoulder (do not place in roadway) and a minimum of 3 feet from normal trash or other obstructions.
- **Utilize your driveway or clear an area along side of your driveway to safely place your recycling and refuse container.** Maintaining proper clearances as described above will make it safer and easier for collection personnel and automated equipment to efficiently empty your containers. Remove the emptied containers shortly after collection.
- **Snow should never be shoveled, plowed or blown into the street.** This creates a hazardous condition for motorists and may require return trips by the snowplow to clear the street. In addition, State Statutes and Village Ordinances prohibit this action and doing so may result in a fine.
- **Residents are asked to move parked vehicles off of the streets prior to snowfall events.** Parked cars are a hindrance to snow removal operations requiring more time and costly return trips to effectively clear the streets. Residents are asked to move their vehicles off the street whenever snow accumulations are forecasted.
- **Sidewalk snow should be moved to the front yard instead of the area between the sidewalk and the curb.** This provides more snow storage capacity between the sidewalk and the curb for snow removal from the street.
- **Shovel snow from around fire hydrants.** Residents are asked to clear snow away from fire hydrants located near your property. This effort helps the Fire Department and Water Utility to manage the water supply system and to quickly respond to emergencies.
- **If your property is near a crosswalk, clear snow from accessible ramps.** This will allow easier passage for all pedestrians.

To receive the Electronic Newsletter "Hartland Happenings" go to the village website at [www.villageofhartland.com](http://www.villageofhartland.com) and register to receive timely news updates from the Village.

**OLDER ADULT PROGRAMS**

**BINGO Ages 55+**

Join Hartland Lakeside School District for an afternoon of BINGO! Prizes will be given.

*Advanced registration is required.*

CLASS #	LOCATION	DAYS	DATES	TIMES	PRICE
2100.185	LITTLE RED SCHOOL HOUSE	WED	JAN 20	2:00 PM - 4:00 PM	FREE
2100.285	LITTLE RED SCHOOL HOUSE	WED	FEB 17	2:00 PM - 4:00 PM	FREE
2100.385	LITTLE RED SCHOOL HOUSE	WED	MAR 16	2:00 PM - 4:00 PM	FREE
2100.485	LITTLE RED SCHOOL HOUSE	WED	APR 20	2:00 PM - 4:00 PM	FREE
2100.585	LITTLE RED SCHOOL HOUSE	WED	MAY 18	2:00 PM - 4:00 PM	FREE

**Wii BOWLING FOR SENIORS - w/Hartland Lakeside School District  
Ages 55+**

Seniors are invited to join us to have fun and get fit while doing some low-impact bowling. Wii bowling is a great way to have fun and get fit, while doing some low-impact exercise. You will use a wireless remote as it follows your movements of bowling without lifting a heavy bowling ball. All skill levels are welcome!

LOCATION	DAYS	DATES	TIMES	PRICE
LITTLE RED SCHOOL HOUSE	WED	JAN 6 - MAY 25	10:00 AM - 12:00 PM	FREE

**RECREATION PROGRAMS**

To view all programs that are offered by the Hartland Recreation Department, visit [villageofhartland.com](http://villageofhartland.com)

**TRIPS, TRIPS AND MORE TRIPS!**

Listed below are the trips that are being offered in Winter/Spring. For more information on any of these trips, please visit [www.villageofhartland.com](http://www.villageofhartland.com) or call the Recreation Department at 262-367-0352. The fee for all the trips include lunch, transportation and admissions unless indicated. Fees vary by trip and can be found at [www.villageofhartland.com](http://www.villageofhartland.com). All trips are combined trips with Sussex Recreation Department.

**CAVE OF THE MOUNDS & MT. HOREB SPRING ART TOUR**

- Friday, June 3, Depart at 8:00 AM
- Fee: \$41 Resident & \$51 Non-Resident

**ROCKAPPELLA AT THE SCHAUER ART CENTER & DINNER AT THE MINESHAFT RESTAURANT**

- Friday, May 20, Depart at 4:30 PM
- Fee: \$52 Resident & \$62 Non-Resident

**BYE BYE BIRDIE**

- Thursday, March 10, 9:00 AM - 6:30 PM
- Fee: \$89 Resident & \$94 Non-Resident

**BASEBALL & BEER**

- Friday, May 20, 8:00 AM - 3:30 PM
- Fee: \$59 Resident & \$64 Non-Resident

**STEEL MAGNOLIAS**

- Thursday, January 28, 5:00 - 10:00 PM
- Fee: \$59 Resident & \$64 Non-Resident

**MOTOWN MUSICAL**

- Saturday, April 9, 9:15 AM - 6:15 PM
- Fee: \$109 Resident & \$114 Non-Resident

**ON WISCONSIN BADGER AND SPRING CONCERT**

- Thursday, April 14, 2:45 PM - 12:45 AM
- Fee: \$79 Resident & \$84 Non-Resident

**FREE TRY-IT-WEEK: JANUARY 11 - 15**

The classes listed below are participating in the **FREE TRY-IT-WEEK**. If you would like to try one that is listed, please check the time, location and day and show up for that class.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Moderate Yoga 8:30 - 9:45 am Delafield Fish Hatchery	Yoga for Life 8:45 - 10:00 am Hartland Community Center	Moderate Yoga 8:30 - 9:45 am Delafield Fish Hatchery	Yoga for Life 8:45 - 10:00 am Hartland Community Center	Yoga for Athletes 8:30 - 9:30 am Hartland Community Center
Gentle Yoga Stretch 10:00 - 11:00 am	Wake Up the Writer Within Free-Try-It Class will be held on <b>Tuesday, January 5.</b> 10:00 - 11:00 am Hartland Public Library	Core Fitness 8:30 - 9:30 am	Chair Yoga 10:15 - 11:00 am	
Qi Gong 11:30 - 12:30 pm		Gentle Yoga Stretch 10:00 - 11:00 am	Yoga for Life 5:45 - 7:00 pm

**NEW!!! OPEN GYM**

**Grades 4 - 6**

Students in grades 4 - 6 can come and shoot around at Hartland South Elementary. Each date you may pay \$3.00 at the door or \$10.00 if you sign up in advance for all 5 weeks. Students do not have to attend the Hartland Lakeside School District to be eligible to participate. Youth from all school districts are welcome.

CLASS #	LOCATION	DAYS	DATES	TIMES	PRICE
4300.001	HARTLAND SOUTH	SUN	JAN 17 - FEB 14	2:15 PM - 3:30 PM	\$10 SIGN UP IN ADVANCE \$3 AT THE DOOR

**Friday Fun Night**

**Grades 3 - 5**

Hartland South Elementary, 651 Imperial Drive, Hartland

Hartland Recreation is providing youth in grades 3 - 5 with Friday Night Events. Youth from any school district will be able to participate in activities. Adult supervision will be provided by the Hartland Recreation Department.

Registration will be done at the door. The registration form is available online at [www.villageofhartland.com](http://www.villageofhartland.com).

You may fill out the form and bring it in to register your child. It is only necessary to fill out this form once.

The fee is \$3.00 and will have to be paid at the door for each date.

**Fridays: 6:00 - 7:30 pm, February 12 & March 11**

**Fee: \$3.00 per date. Must pay at the door.**

**RESIDENTIAL ELECTRONICS AND APPLIANCE RECYCLING**

Earlier in the year, the Village suspended the collection of electronic recyclables due to issues with the vendor. Since that time, the Village has been working with Waukesha County and other local agencies to request proposals on alternative collection options that are efficient and cost effective. The selected alternative is to conduct collection events hosted throughout the County at seven different locations throughout the year.

The recently approved Collection Event Agreement with Waukesha County will allow residents to drop off both electronics and appliances for recycling. There will be a small fee charged to residents for any television or CRT computer monitor that is dropped off. All other eligible electronics and appliances will be taken at no cost.

There will be two collection events held in the Village in 2016 which will coincide with the normal second Saturdays in April and October. The events will be held at the recycle center site located at the Village Garage at 701 Progress Drive. Residents may also take electronics and appliances to other municipalities through this agreement with Waukesha County.

A complete listing of the Collection Event Schedule for 2016 will be posted on the Village website [www.villageofhartland.com](http://www.villageofhartland.com) once the agreements from all eight participating municipalities have been received by Waukesha County.

**Hartland Collection Dates:**  
**April 9                      October 8**

**SAVE MONEY—USE LESS SALT THIS WINTER**

Salt and sand contribute to lake and river pollution. Once it's spread on parking lots, streets, sidewalks and driveways, it's on its way to the nearest lake or river. Fifty pounds of salt (one large bag) can pollute 10,000 gallons of water, which is equivalent to one teaspoon in a five-gallon bucket of water. The Village is working to cut salt use while still keeping streets safe. So, let's all save money this winter with these helpful tips and help the lakes and rivers at the same time.

- Always shovel first, especially if the pavement temperature is 32 °F or more—don't waste money on deicers.
- All salt is not created equal. Various types of deicers perform differently at different temperature ranges. The most common is sodium chloride "rock salt", but it doesn't work when the pavement is colder than 15 °F. Magnesium chloride and calcium chloride cost more, but you'll use less and it works in colder temps.
- Measure your sidewalk and driveway so you know how much you need. A general guideline is to use 1-3 cups of salt per 1,000 square feet. Don't waste money by using more than is needed.
- Consider applying liquid salt to the pavement before the storm and shovel a little while it's snowing. After the storm, shovel before using any salt. Often, you won't need any.
- While salt is sometimes mixed with sand to keep the sand from freezing into a solid block, it's not a good idea to use both at the same time on your sidewalk. The salt will melt the ice, but if it refreezes, the sand can be frozen below the surface where it can't do any good.
- If you have an area that tends to ice up, consider making it a priority to fix it next summer.

**Buyer Beware!**

Read the label so you know exactly what you are buying. If the bag doesn't say otherwise, it's probably sodium chloride. Be sure to follow the application rates. You need much less of some products than others, so be sure not to waste any by over applying.

Labeled as:	Works to:	Approx. Cost	Pros/Cons
Calcium Chloride	-25 °F	\$35 for 50 pounds	Use much less than rock salt; may damage concrete
Magnesium Chloride	5 °F	\$30-\$35 for 50 pounds	Less toxic than calcium chloride; may corrode metals
Sodium Chloride	15 °F	\$6 for 25 pound bag	Chloride impacts
Calcium Magnesium Acetate	25 °F	\$20 for 50 pounds	No chloride; less toxic
Potassium Chloride	25 °F		Need to use more than rock salt; safer on concrete
Sand	No	\$5 for a 20 pound bag	Not a deicer; for traction only; do not use with salt

## HARTLAND PUBLIC LIBRARY UPCOMING EVENTS

### **Win a copy of the 2015 Caldecott and Newbery Award books!**

In January 2016 the American Library Association will announce the 2016 award winners in the field of literature for children. The Caldecott Award is given to the illustrator of the best picture book. The Newbery Award is given to the author of the best novel. Patrons of Hartland Public Library will have a chance to enter a drawing to win a copy of one of the new award books. In the meantime, everyone is encouraged to check out one or more of the books that have won this prestigious award over the past decades.

### **Hug-a-by Baby Infant Story Times For ages 0-23 months**

Fridays at 9:30 a.m. This 20-30 minute session features lap games, songs and action rhymes, stories and finger plays. Caregivers participate and help their child partake in the class.
