HARTLAND PUBLIC LIBRARY

BIKE TO THE LIBRARY WEEK: JUNE 19 - 25

As part of a statewide event, *Bike to the Library*, the Wisconsin Bike Fed, and the UW Global Health Institute invite community members to participate in exploring the benefits of biking.

The Hartland Public Library is pleased to be a host for this event. Throughout the week, if you bike to the library while wearing your helmet, you will receive a cool treat. If you are unable to bike, simply bring in your helmet and you will get a treat! And, on **Monday June 20 from 10:00 - 2:00**, members of the Bike Federation will be here to offer free bike helmet fittings and safety tips.

Let's bike for the earth and for our health!

"My two favourite things in life are libraries and bicycles. They both move people forward without wasting anything. The perfect day: riding a bike to the library."

-Peter Golkin

Hartland's Hometown Celebration Parade is **Sunday June 26 at 1:30 PM.**
 You may just see some library staff!

Children's Summer Reading Program

For ages 2 to teen

The more your children read, the better readers, writers, and spellers they will become. Join us this summer as we help children discover the enjoyment of reading and learning.
