**CELEBRATE HARTLAND'S HISTORY**

One hundred twenty five years in the making; it has arrived! Hartland is getting ready to celebrate its Quasiquintennial. On January 18, 2017, the Village of Hartland will be 125 years old.

Long after the glaciers retreated in the last Ice Age, the Potawatomi found the area that would become Hartland provided an ideal camping spot along today's Merton and Delafield town line. Many years later, the area came to be known as the Town of Warren, after Stephen Warren, Hartland's first settler. Warren came to this area in 1838 to file claim to the land between what is now bordered by East Capitol Drive to the north, Cottonwood Avenue to the west and Maple Avenue to the east.

The community began to grow as more and more people came to the area and settled. The Bark River powered grist mills and the flow of traffic from the east had led to the construction of the Watertown Plank Road. The Plank Road was located where Capitol Drive is now and was used by farmers as a "highway" for bringing their grains and hops to the Milwaukee breweries. To provide a place for rest and refreshment for its travelers, many hotels or "taverns" were built along the way. The Burr Oak Tavern still stands on the SE corner of Maple Avenue and East Capitol Drive. By 1890, our community bustled with about 500 residents and enjoyed regular train stops from Milwaukee. Visitors to the area enjoyed many spas and hotels in the Lake Country.

With all the activity, residents decided it was time to formalize Hartland's place in history and they began to work toward official incorporation of the Village. The Village of Hartland was incorporated on January 18, 1892. Shortly, we developed an official Fire Department and new Library.

It's time to celebrate our history and our future. Beginning on January 18, 2017, we plan to host a number of events to showcase our history and celebrate our growth and the promise of the future. The first event will be an open house at the Hartland Library from 2:00pm until 8:00pm on Wednesday, January 18, 2017. During the open house, presentations will be made on the history of the Village and highlighting many of our historic buildings both "then and now." Those presentations will begin at 2:00pm and 6:00pm. Also during the open house, the Hartland History Room will be open and a number of artifacts and photographs will be out for enjoyment and to allow visitors to get in touch with the history of our great community. Interested attendees can also sign up to participate in a group that will work with the Village to help lead other events to celebrate our history and heritage throughout the year.

Everyone is invited to come to the Hartland Library on Wednesday, January 18, 2017 from 2:00pm to 8:00pm to learn a little more about Hartland's history and begin to celebrate our great community.

## RESIDENTIAL ELECTRONICS AND APPLIANCE RECYCLING EVENTS

There will be a collection event held on Saturday, April 8 in the Village which will coincide with the normal second Saturdays in April and October. The event will be held at the recycle center site located at the Village Garage at 701 Progress Drive. Residents may also take electronics and appliances to other municipalities through this agreement with Waukesha County. There is a small fee charged to residents for any television or CRT computer monitor that is dropped off. All other eligible electronics and appliances will be taken at no cost. A complete listing of the Collection Event Schedule for 2017 is posted on the Village website [www.villageofhartland.com](http://www.villageofhartland.com)

**Hartland Collection Date: April 8**

## DOG LICENSES REQUIRED

Dog licenses are required in the Village of Hartland under Municipal Code Article III Section 14-61. Dog licenses expire yearly on December 31st. The cost per license is \$10 for spayed/neutered animals and \$15 for intact animals. The cost of the licenses increase by \$5 after March 31st. When applying in person or by mail for a dog license, a copy of the rabies vaccination certificate including name of veterinarian and date of vaccine as well as expiration date must be submitted before a license can be issued per State Statutes. Licenses and payment receipts will be mailed within two weeks. Licenses may also be obtained by coming into the office. The dog license application is available on the Village's website [www.villageofhartland.com](http://www.villageofhartland.com)

## UPCOMING RETIREMENTS

In the first part of this year, the Village will celebrate the service of all of its employees but in particular, we will honor two of our employees who will retire after more than 30 years of service to our community.

In January, John Daley of our Public Works Department will retire after 40 years working to keep our parks in tip top shape, our streets clean, clear and pothole free and our utilities flowing. When John started with the Village, we were experiencing growth like we had never seen before. The Hartridge and Chestnut Ridge Subdivisions were being constructed as were the industrial park near the railroad tracks and the new Highway 83 and the Hartbrook Drive commercial area north of the newly minted four-lane Highway 16.

In March, Police Chief Robert Rosch will retire after 33 years of service. Under his leadership, our community has remained a safe home for residents and visitors. When Chief Rosch started his career with Hartland, we were closing in on our 6,000<sup>th</sup> resident, with continued growth. In fact, the Village had recently moved its operations into its new building in downtown Hartland across the street from the Community Hall that had served us well for many years. Both of these men are deserving of our gratitude for their devotion and loyalty over the decades. On behalf of a grateful Village, we thank them for their service.

## CURBSIDE COLLECTION SERVICE

Residential property owners have received two carts; one 64-gallon for garbage and one 96-gallon for recycling. Both refuse and recycling is collected from all households curbside on Tuesdays. Refuse/garbage is collected weekly from the container provided while recyclable materials are collected every other week. The 2017 garbage/recycling calendar on the Village's website shows recycling dates as either Week A or Week B. Locate your street on the correct recycling map to verify your pickup dates.

Residential property owners are required to bring the carts to the curb by 6:30 a.m. on collection days. All garbage and recycling materials must be kept separate and placed inside their respective cart.

Important reminders:

- Do not place the carts in the street
- Place carts with the handles and wheels facing away from the street
- Containers must be at least 3 feet apart from each other and other

- Do not place your containers out earlier than the day before collection day and be sure to take them back by the morning after collection day

Households that may need additional capacity for refuse and recycling have several options including the purchase of additional collection service. Households that are physically unable to move the containers to the curbside are encouraged to contact the Village.

## HOUSE NUMBERS

Municipal Ordinance 78-30 specifically states that all residential and business buildings must have the address clearly posted on the street side of the structure, with numbers being no less than 2 1/2 inches in height (suggested to be reflective). This is primarily for safety reasons so that the Police or Fire Department may find the property in an emergency. Keep in mind that the 911 system tracks to an address and dispatches the correct police and fire agencies. Please make sure the numbers are clearly posted and visible from the street, usually posted near a doorway.

## WINTER PARKING RESTRICTIONS

Winter parking restrictions in the Village are in effect from **November 1st through March 31st**. Parking restrictions prohibit parking on all village streets between the hours of 2:00 AM and 8:00 AM.

If you wish to park on the street, call 367-2323 after 3:00 PM each day to determine if parking permission is approved or denied for each morning. You may also go to [www.villageofhartland.com](http://www.villageofhartland.com)

under Hartland Help Center for the winter parking restrictions and the most current message.

If you wish to receive daily messages about winter parking, go to Notify Me on the Village website to sign up. To receive notifications related to parking restrictions, you will need to provide an email address. If you prefer to receive these messages by text, enter your mo-

bile number.

Parking citations will be issued to vehicles that park on any village street when the message states that parking is denied. A tow notice may also be attached to a vehicle and if the vehicle is not removed in the timeframe listed on the notice, the vehicle will be towed at the owners expense.

## COMMUNITY NOTIFICATIONS

The Police Department is a member of two nationwide notification networks. In the event an emergency message needs to be sent out to a targeted area of the community, we would utilize the services of one of these networks. The networks utilized are "A Child Is Missing" which is primarily for missing children and at-risk adults and "MyStateUSA" which can be used for emergency notifications such as evacuations, sex offender notifications and weather related alerts. If you are interested in signing up to receive these messages on your cell phone, email [police@villageofhartland.com](mailto:police@villageofhartland.com) and we will send you the information.

## ILLEGAL SIGN PLACEMENT

Village ordinances prohibit the placing of any signs in a right-of-way owned by the village, county, or state. In addition, permission must be received from a property owner before placing any signs. Any signs observed to be illegally posted will be removed by the police department and discarded. The normal violations we observe involve rummage sale signs, campaign signs and realty signs. Contact the Police Department at (262) 367-2323 if you have questions before posting signs.

## DRUG COLLECTION

In order to reduce substance abuse, prevent childhood poisonings and help protect our environment, citizens may bring their unwanted or unused prescription or over-the-counter medications, sprays, inhalers, ointments, creams, vials, herbals, or pet medications to the Village Hall 24 hours every day for disposal. Illegal drugs/paraphernalia are also accepted with no questions asked. Green containers are available just inside both the east and west lobbies of Village Hall for the collection of these items. You may also use the main Police Department lobby to drop off items during normal business hours.

Please do not drop off any hazardous materials or waste such as household cleaners, paint etc. or any items containing or exposed to bodily fluids.

Remember that no medications should ever be disposed of by flushing down a toilet. Let us dispose of them properly for you. If you have any questions regarding this program, please contact the Police Department at (262) 367-2323.

## FIREPLACE SAFETY

Before starting a fire, be sure to clean out the ashes. Use a metal container to dispose of cooled ashes and store the container outside. Your chimney should be cleaned and inspected annually, including the flue and damper. Always remember to open the flue or the damper before lighting a fire!

### FIREWOOD AND MANUFACTURED FIRE LOGS

- Only burn dry, well seasoned firewood.
- Manufactured fire logs are cleaner and safer than firewood. Never use more than one at a time.
- Never add an artificial log to a natural wood fire that is already burning.
- Never poke artificial logs or break them.

### SAFETY TIPS

- Always use a fireplace screen or enclosure to keep sparks from escaping, unwanted material from going in, and to help prevent the possibility of burns to occupants.
- Never burn paper, garbage or charcoal in a fireplace.
- Make sure that any decorations are well away from the fire.
- Before you go to sleep, be sure your fireplace fire is out. Never close your damper with hot ashes in the fireplace. A closed damper will help the fire to heat up again and will force toxic carbon monoxide into the house.
- Do not use flammable liquids to start or accelerate any fire.

### EXTINGUISHING THE FIRE

- Make sure that the fire is out before you go to bed or leaving your home.
- If you have to extinguish a fire NEVER USE WATER. Instead use sand or cat litter.
- Never close the flue until the fire is completely out; you must wait until it is done smoldering.
- Keep a fully charged ABC fire extinguisher nearby and know how to use it!

## SPACE HEATER SAFETY

Portable electric space heaters can be a convenient source of supplemental heat for your home in cold weather. Unfortunately, they can pose a significant fire and electric shock hazards if not used properly. Fire and electrical hazards can be caused by space heaters without adequate safety features, space heaters placed near combustibles, or space heaters that are improperly plugged in. Here are some tips for keeping your home safe and warm when it's cold outside:

- Make sure your space heater has the label showing that it is listed by a recognized testing lab.
- Before using any space heater, read the manufacturer's instructions and warning labels carefully.
- Inspect heaters for cracked or broken plugs or loose connections before each use. If frayed, worn or damaged, do not use the heater.
- Never leave a space heater unattended. Turn it off when leaving a room or going to sleep, and don't let pets or children play too close to a space heater.
- Proper placement of space heaters is critical. Heaters must be kept at least three feet away from anything that can burn, including papers, clothing and rugs.
- Locate space heaters out of high traffic areas and doorways where they may pose a tripping hazard.
- Plug space heaters directly into a wall outlet. Do not use an extension cord or power strip which could overheat and result in a fire. Do not plug any other electrical devices into the same outlet as the heater.
- Place heater on level, flat surfaces. Never place heaters on cabinets, tables, furniture, or carpet, which can overheat and start a fire.

### Candle safety:

- Never leave burning candles unattended or sleep in a room with a lit candle.
- Keep candles out of the reach of children.
- Make sure candles are on stable surfaces.

## PLEASE CLEAR SNOW AND ICE!

The Hartland Fire Department is requesting that residents and business owners keep fire hydrants on or adjacent to their property free from obstruction of snow during the winter season. If possible, a three-foot radius clearance would be appreciated. During a fire seconds count, and firefighters can't afford to spend time gaining access to the hydrant.

As the snow and ice pile up over the winter, we are also asking that building owners, property managers and home owners have sidewalks and driveways clear of snow and ice in case of a fire or medical emergency. Having pathways clear allows our medical personnel to move the ambulance cot safely and quickly to and from the emergency. This will help to ensure the safety of the patient and crew.

Avoid slips and falls if you have to go out in icy conditions.

- Keep both hands free for balance rather than in pockets
- Use handrails when available
- Avoid carrying lots of heavy shopping bags, especially on steps
- Wear appropriate footwear. Flat footwear with rubber soles provides better traction on ice and snow than leather soled or high heeled shoes
- Avoid rushing or taking shortcuts over areas where snow and ice removal is incomplete

## WAKE UP CALL EXHIBIT

The nonprofit group, Your Choice to Live, Inc., opened the permanent home for its Wake Up Call exhibit at the Hartland Fire Department's Survive Alive House on August 8. The non-profit group provides alcohol and drug prevention, education, intervention and support. Since inception in 2009, Your Choice has provided services to over 300 families and spoken to over 85,000 youth in 100 middle and high schools across southeastern Wisconsin.

Wake Up Call is a life-size exhibit of a teen's bedroom (male or female) with more than 20 "red flags" that can signal drug or alcohol use. The bedroom identifies spots where teens may hide drugs, household items that can be used as drug paraphernalia and ways teens try to cover up drug and alcohol use. The goal is to educate parents and other adults who are influential in the lives of youth so they know what seemingly innocent items can actually be an indication of substance abuse.

In addition to the Wake Up Call exhibit, Your Choice offers programs including Stairway to Heroin, which has evolved into a model program for education, prevention and recovery with a mission of making a difference in the lives of family. This four

part prevention model was designed to be implemented in schools and communities to address the ongoing substance abuse epidemic adolescents and young adults are facing today.

The Wake Up Call exhibit is an educational opportunity for adults (21 years of age and older) only and youth will not be allowed to tour the bedroom. To register for a tour of the Wake Up Call Exhibit or for more information about services offered by Your Choice to Live, visit [www.yourchoice-live.org](http://www.yourchoice-live.org)

## UTILITY PAYMENT OPTIONS

We have great new services available—electronic payments and bills. You can pay your water & sewer bill online, by mobile device or by calling a toll-free number. You can also view your bill online. Please consider opting out of receiving paper bills to help save resources. We will send you an email each time a new bill is ready to view. Give these services a try; we are sure you will love the convenience!

**ONLINE** (make a payment, view bill, view balance due)

Go to [www.villageofhartland.com](http://www.villageofhartland.com). Select “Online Payments”. You will go to our payment process, PSN, to register and make your first online payment or view your bill. Future payments will be three quick steps. You don’t have to pay online to view your bill online.

**DOWNLOAD OUR APP** (make a payment, view balance due)

Download “PSN Payments” from the App Store or Google Play, or scan QR code below. TIP: Register online before using the app to set up your user ID and password.

**CALL TO PAY** (make a payment, hear amount due)

Call toll-free 877-885-7968. Have your bill handy to provide your customer number. On the first call, you will set up a payment account. Calls after that are just 4 steps to pay.

### TIPS & BENEFITS

**Auto Pay:** Set it and forget it with Auto-Pay to make recurring payments for the amount of your bill.

**Avoid Late Fees:** Your online, mobile or phone payment posts the day you make it.

**More:** Print receipts, view payment history, change your payment method, change the date of or cancel your Auto Pay and more by using our online service.

Pay anytime  
from any-  
where!

We accept:

Checks

Savings

VISA

MasterCard

## BUYING OR SELLING A HOME?

Please contact our office when buying or selling a home to make sure that your Water & Sewer Account has the correct billing name and address on it. The only way we find out if a home has sold is if the buyer or seller provides us with that information. Please email the information to [faithk@villageofhartland.com](mailto:faithk@villageofhartland.com) or call 262-367-2714.

## SALT BRINE DEICING

This winter the Village continues to use a new tactic to treat streets for snow and ice. Before a snow or ice event begins, crews line the streets with salt brine, a clear water and sodium chloride solution. The brine solution is sprayed out of a truck onto the roadways and the liquid evaporates leaving behind the salt on the road. When the snow starts falling, the snow interacts with the salt residue, melting the initial snowfall and creating a salt solution that helps to prevent the snow from packing down on the roadway. Many factors are considered prior to brine application. This practice is currently being used on major roadways as well as minor roadways that have steep grades.

The use of the salt brine process for winter weather events is a cost-saving measure that will enhance the Village’s ability to keep streets clear in the winter, while conserving the salt

stockpile for more major storm events. Pre-treating reduces overtime and greatly reduces the total cost of treatment, as once the snow/ice has bonded to the pavement, it is more expensive and time consuming to remove. Beyond the material and labor savings, the ability to provide a treatment at the earliest stages of a winter event, when drivers are most likely to overestimate the driving conditions, provides an additional savings by reducing the frequency of traffic crashes.

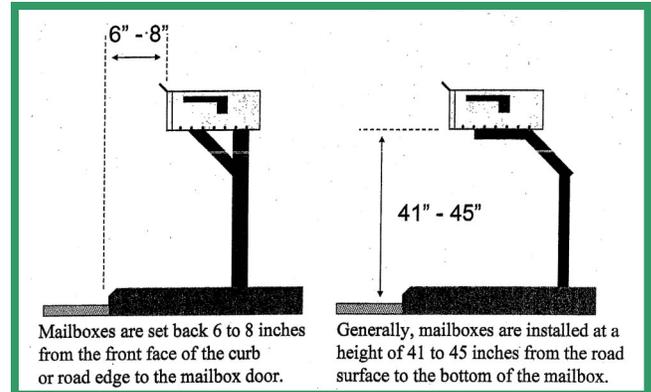

A Department of Public Works truck is applying the salt brine solution to a Village roadway.

## MAILBOX REMINDERS

The Village of Hartland encourages every property owner with a mailbox to check for its proper location (please see the diagram) and sturdiness. Each property owner is responsible for the installation and maintenance of their mailbox and this includes having it on a sturdy base and firmly attached to its support post.

The Village's mailbox damage replacement policy states that only mailboxes that are actually hit by the snowplow and are properly installed are eligible for reimbursement. Reimbursement will not be made if a mailbox gets knocked over from the weight of recently plowed snow. A properly installed and maintained mailbox will hold up to the snow that comes off the plow's blade. The total value from reimbursement through the Village's policy is limited to a maximum of \$75.

## SNOW REMOVAL

The Village of Hartland is again asking for the assistance of residents to ensure the success of winter snow removal operations.

- **Recycling cart placement.** Cart must be placed with lid opening toward the street at the back of the curb or shoulder (do not place in roadway) and a minimum of 3 feet from normal trash or other obstructions.
- **Utilize your driveway or clear an area along side of your driveway to safely place your recycling and refuse container.** Maintaining proper clearances as described above will make it safer and easier for collection personnel and automated equipment to efficiently empty your containers. Remove the emptied containers shortly after collection.
- **Snow should never be shoveled, plowed or blown into the street.** This creates a hazardous condition for motorists and may require return trips by the snowplow to clear the street. In addition, State Statutes and Village Ordinances prohibit this action and doing so may result in a fine.
- **Residents are asked to move parked vehicles off the streets prior to snowfall events.** Parked cars are a hindrance to snow removal operations requiring more time and costly return trips to effectively clear the streets. Residents are asked to move their vehicles off the street whenever snow accumulations are forecasted.
- **Sidewalk snow should be moved to the front yard instead of the area between the sidewalk and the curb.** This provides more snow storage capacity between the sidewalk and the

curb for snow removal from the street.

- **Shovel snow from around fire hydrants.** Residents are asked to clear snow away from fire hydrants located near your property. This effort helps the Fire Department and Water Utility to manage the water supply system and to quickly respond to emergencies.
- **If your property is near a crosswalk, clear snow from accessible ramps.** This will allow easier passage for all pedestrians.

## HAVE YOU SIGNED UP?

Want to get the latest Village information sent to your email? The electronic newsletter "Hartland Happenings" is sent weekly providing timely updates including information on upcoming recreation and library programs, construction projects, community events, election reminders, you name it!

To receive the electronic newsletter visit the Village website [www.villageofhartland.com](http://www.villageofhartland.com) and register, or scan the code below to sign up.

## HARTLAND PUBLIC LIBRARY

### Upcoming Children's & Family Events

#### Winter Story Time

January 10 – February 17

We will be offering Preschool Story Times for children ages 2-5 years old on Tuesdays at 10:00 AM and 1:30 PM, Wednesdays at 10:00 AM, and Thursdays at 10:00 AM. Sign up begins Monday, January 2; sessions begin January 10. Story times last about 40 minutes and will include songs, stories, and a craft. We are also offering Infant Story Times for children up to 23 months old. They will be held on Fridays at 9:30 AM beginning January 13. Each session is about 20-30 minutes and includes songs and rhymes, stories, and finger plays. Sign up begins on Monday, January 2. Registration is required for all Story Times—either stop in the library, or call us at 262-367-3350.

#### Winter Readers Club

January 9 – February 4

Calling all K - 8th grade students: join our new Winter Readers Club! Each time you visit the library and check out books, you can enter to win a very cute reading buddy stuffed animal. You will also receive a snowflake that you can decorate and add to our awesome "Snow Many Readers" poster. That's not all! To celebrate your great reading, everyone who participated is invited to a party on Monday, February 13 from 4:00 - 5:00 PM when we will enjoy fun, snow-themed activities.

#### Read to Gladys or ThelmaLou

Tuesdays, January 3 & 17 and February 7 & 21 3:30 – 5:30 PM

Attention all dog-loving kids! Now you can practice your reading skills and make new doggie friends at the library. Gladys the basset hound is a certified therapy dog who loves to listen to books. While Gladys will be here most sessions, her friend ThelmaLou might visit us too. And, to make reading even more fun, for every four times you read to either Gladys or ThelmaLou, you can pick out a book to keep! Children may sign up for a 15 minute session. Please call 262-367-3350 or email Sara at swanson@hartland.lib.wi.us to register.

#### Read to Brick

Saturdays, January 14 & 21 and February 11 & 18 1:00 – 2:00 PM

We are excited to offer another read-to-a-dog program. Brick is a lovable 2 year old collie/basset hound mix. Children of all ages are welcome to read to him. Please call 262-367-3350 or email swanson@hartland.lib.wi.us to register.

#### Super Saturdays

January 7 & 21 and February 4 & 18 9:30-10:30 AM

All children between the ages of 3 and 5 years old are invited to join us for a morning of stories, crafts, and fun! Staff from Hartland Lakeside School District and the library will lead the sessions. Registration by calling the library is suggested, but drop-ins are welcome too.

#### Kids' Crafternoon

Tuesday, January 24 4:00 – 5:00 PM

Brrr! It's cold outside. Let's make a cozy fleece scarf! Children ages 6 - 12 years old are invited to create a colorful no-sew scarf. Since project materials must be purchased in advance, **registration is required by January 20**. Please email Sara at swanson@hartland.lib.wi.us or call the library at 262-367-3350 to register.

#### Lego Club

Saturday, January 28 and Saturday, February 25 9:30 – 10:30 AM

## Adult Events

### Tuesday Morning Book Club

February 7 at 10:00 AM—we will be discussing [Do No Harm](#) by Henry Marsh

### Bonus Book Club

Tuesday, January 31 and Tuesday, February 28 6:30 PM

New members are always welcome to join us as we discuss a different book each month. Call the library at 262-367-3350 or email [swanson@hartland.lib.wi.us](mailto:swanson@hartland.lib.wi.us) for more information.

### Mah Jongg Club

Thursdays, January 5, 12, 19, & 26 and February 2, 9, 16, & 23 2:00 – 4:00 PM

Do you know the rules of mah jongg and are looking for a place to play? We have two great sets of tiles in need of players! Please call 262-367-3350 or email [swanson@hartland.lib.wi.us](mailto:swanson@hartland.lib.wi.us) to let us know you'll be playing.

### Writing Family Stories

Thursday, January 12 and Thursday, February 9 10:00 AM

Preserve your family stories for future generations. We will explore writing techniques, topics, and ways to express your personal histories. Members are encouraged to bring one new story each month to share with the group.

### What Has Come Before: Celebrating 125 Years in Hartland

Wednesday, January 18 2:00 and 6:00 PM

Learn about local history through an enjoyable pictorial tour of Hartland's past. The library's historian will be offering an informative presentation at two different times; please reserve your spot by calling the library at 262-367-3350. Refreshments will be served.

### Green Cleaning Workshop—Get a Clean Start to the New Year!

Saturday, January 21 11:00 AM – Noon

Are you looking to reduce the number of chemicals you use to clean your house? Join us as we learn about common household ingredients that can keep your home healthy, clean, and safe. You will also find out which products on the market pass as "green." Plus—we will be making our own creamy soft scrub that you may take home! Please call 262-367-3350 or email [swanson@hartland.lib.wi.us](mailto:swanson@hartland.lib.wi.us) to register.

### Ravelry for Beginners

Monday, January 23 6:30 – 8:00 PM

Ravelry is a social networking site for knitters and crocheters. With its enormous database, it is a fabulous resource for finding new patterns, or figuring out what to make with the yarn you already have on hand. Come and learn the basics on how to navigate the site and take your crafting to a new level. If you already have Ravelry loaded onto a mobile device (pad or phone), please bring it to class so that you can follow along with the instructor. The instructor, Theresa Schabes, is new to Wisconsin, but a life-long knitter. For the past ten years she has worked as a teacher and designer in both knitting and crochet. Her patterns have been published in most major knitting magazines. Please call the library at 262-367-3350 to register.

### Adult Make & Take

Tuesday, February 7 6:30 - 7:30 PM

Whether you celebrate Valentine's Day or not, you will enjoy making this argyle, heart-themed wreath! All it takes is yarn and felt to create this pretty decoration. Supplies are provided. Since project materials must be purchased in advance, **registration is required by February 6**. Please call the library at 262-367-3350 or email [swanson@hartland.lib.wi.us](mailto:swanson@hartland.lib.wi.us) to register.

**YOUTH PROGRAMS**

**SKI TRIP - CASCADE MOUNTAIN**

Cascade Mountain Rd, Portage, WI

Friday, January 20 Grades 6 - 8

Loading: 7:30 am Depart: 8:00 am

Estimated return: 5:00 pm

Depart and Pickup at North Shore Middle School, 800 E. North Shore Drive, Hartland

Looking for something to do on your day off of school? Join us as we swoosh down the slopes of Cascade Mountain. Fee includes rental of all equipment, but not a meal option. Meals are an additional fee and are optional. Parent and participant waivers MUST be signed and handed in one week before the trip. Waivers can be found at [www.villageofhartland.com](http://www.villageofhartland.com). You may also request one by email by contacting the Recreation Department at [kellyi@villageofhartland.com](mailto:kellyi@villageofhartland.com). Please have your child arrive at 7:30 am to check in and load the bus. We will be leaving PROMPTLY at 8:00 am. Fee: \$45 per person without the meal option. Please register for which meal option you would like and add it to the \$45. Your child may bring a bag lunch.

RENTAL	PRICE	MEAL OPTION	PRICE
SKIS	\$45	BASIC	\$9
SNOWBOARD	\$45	PIZZA	\$8
NO RENTAL	\$45	BRINGING OWN MEAL	\$0

**RECREATION PROGRAMS**  
 To view all programs that are offered by the Hartland Recreation Department, visit [villageofhartland.com](http://villageofhartland.com)

**SPRING BREAK TRIP WEEK** Ages 6 - 12

Join us for our NEW SPRING BREAK TRIP Week! Each day participants will go on a new and exciting field trip to the following locations; Discovery World, EAA Museum, Trek Bicycle, Skate Express, Dinosaur Museum, Jelly Belly Factory, Flabbergast & Skyzone. Children may sign up for the entire week or each trip individually. It is required that your child brings a bag lunch, mid-afternoon snack, and plenty of water.

TRIP LOCATIONS	DAYS/DATES	TIMES	PRICE
ALL TRIPS	MON, APR 10 - FRI, APR 14	8:00 AM - 4:00 PM	\$166
DISCOVERY WORLD	MON, APR 10	8:00 AM - 4:00 PM	\$44
