1. Consideration of a motion to approve the Park and Recreation Board minutes of the May 7, 2018.

Motion (Landwehr/Lawson) to approve the May 7, 2018 Park and Recreation Board minutes. Carried (5-0). 1 Abstention, Bromberger.

Public Works Items

2. Discussion on parking at Nixon Park.

Mike Gerszewski said it has been brought to his attention from the Police Department and some other citizens that an issue has come up with the parking at Nixon Park. Now that the park is being utilized quite a bit more for the splash pad, baseball and the beer garden, he felt it was appropriate to bring it to the park board. There is lack of paved parking so people are parking off pavement regardless of the no parking signs. Hallquist asked Gerszewski if relining the parking lot would allow for anymore spaces. Gerszewski said the line layout that he and Mike came up with is the max they can get in there to allow bus turning. He said t is not feasible to change the layout to get more, it is just not there. Gerszewski said he is proposing some type of increase in the budget this year. He suggested possibly adding 20 more spots, 30 if feasible financially. He went on to say they would have to look at locations plus safety concerns and there are numerous factors when looking where to add parking. Hallquist brought up the subject of dredging and where would it go. Mike Gerszewski said they have been talking about it internally. It was decided to do research and find some possible ideas.

3. Discussion and consideration of add changing area to bathrooms at Nixon Park.

Hallquist requested adding a bench or slated bench for people to sit and change clothes in the bathrooms after visiting the Splash Pad. Hallquist requested that Gerszewski look into the cost of installing benches the bathrooms. Gerszewski said he has been looking into research but will continue to do so.

Motion (Kallenberger//Bromberger) to research pricing of benches in both bathrooms in Nixon Park. Carried (6-0).

4. Discussion and possible consideration to use the chimney at Hartland Marsh for a Full Moon hike in October.

Yogerst requested use of the chimney at Hartland Marsh for a Full Moon Hike that will take place in October.

Motion (Landwehr/Bromberger) to approve use of chimney at Hartland Marsh for a Full Moon hike in October. Carried (6-0).

Other items for consideration

5. Consideration of a motion to confirm the Administrators decision to extend the Splash Pad hours.

Administrator Cox submitted a memo requesting an extension of the Splash Pad hours based on requests from citizens and it would be on a trial basis. The request was made because of the popularity of the Thursday and Friday night events. The hours of the extension will be from 10:00am-9:00pm. The water usage will be reviewed again at the end of the season.

Motion (Hallquist/Kallenberger) to confirm the Administrator's decision to extend the Splash Pad hours. Carried (6-0).

6. Announcements: It is not completed that these matters will be discussed or acted upon and may include items for future consideration. The following individuals may provide announcements: Park and Recreation Board members or other Village Staff members.

7. Adjourn

Motion (Landwehr/Bromberger) to adjourn. Carried (6-0). Meeting adjourned at 7:32 PM.

Respectfully submitted
By Recording Secretary,
Deidre Bushey
Deputy Clerk

Dear Tim Hallquist,

As a lifelong resident of the Hartland area, I enjoy parks, restaurants, shops, and community events because they bring enjoyment to the community. These amenities keep residents entertained; however, there seems to be a lack of affordable activities for high-school aged teens such as skate parks.

The splash pad, located at Nixon park in Hartland, was a great addition to the area 5 years ago, but it attracts young children and their parents. Teenagers, on the other hand, often look for activities to do with their friends, rather than their parents, and a lack of activities can lead them to illegal activities and violence. A skate park would be a great addition to the area. Not only would it give teens something to do aside from being on their phones throwing away hours of their time to mindless games and texting, but it would also prevent them from bothering business owners and deterring potential customers by skateboarding/biking in front of establishments. With the help of the Arrowhead Key Club and the support of the community, funds to construct a skate park located near Hartbrook or Nixon park can be made quickly. By constructing the park near Hartbrook or Nixon park, high pedestrian traffic will ensure the teens are safe.

As the Chairman of Parks and Recreation of such a wonderful community, you have the ability to provide entertainment for residents of all ages, and to give teens a safer alternative to riding bikes and skateboards around cars, businesses, and pedestrians.

If you wish to talk to me, or have further questions, I can be reached via email at Orutchik@arrowheadschoools.org. Thank you for your time and consideration.

Sincerely,

Cameron Rutchik

Subject: Delafield Skate Park

Good morning,

Thank you for contacting us about Delafield Skate Park. From what I understand Hartland is looking at the possibility of adding a skate park to the current park system. We do have complaints on file regards the skate park which is also referred to as the "Sports Commons Park." In reviewing complaints from 2014-2018 the only complaint that references the skate park portion from the 'commons' is from 2014. This complaint was a 'found property' complaint in which a skateboard was located at the park.

If you have any further questions please do not hesitate to contact me using the below contact information.

Thank you,

Lieutenant Michael Anderson
