UTILITY PAYMENT OPTIONS

We have great utility payment services available—electronic payments and bills. You can pay your water and sewer bill online, by mobile device or by calling a toll-free number. You can also view your bill online. Please consider opting out of receiving paper bills to help save resources. We will send you an email each time a new bill is ready to view. Give these services a try; we are sure you will love the convenience!

ONLINE (make a payment, view bill, view balance due)

Go to www.villageofhartland.com. Select “Online Payments”. This will take you to our payment processing company, Payment Service Network (PSN), to register and make your first online payment or view your bill. Future payments will take just three quick steps. You don’t have to pay online to view your bill online.

DOWNLOAD OUR APP (make a payment, view balance due)

Download “PSN Payments” from the App Store or Google Play.

TIP: Register online before using the app to set up your user ID and password.

CALL TO PAY (make a payment, hear amount due)

Call toll-free 877-885-7968. Have your bill handy to provide your customer number. On the first call, you will set up a payment account. Calls after that are just 4 steps to pay.

TIPS & BENEFITS

Auto Pay: Set it and forget it with Auto-Pay to make recurring payments for the amount of your bill.

Avoid Late Fees: Your online, mobile or phone payment posts the day you make it.

More: Print receipts, view payment history, change your payment method, change the date of or cancel your Auto Pay and more by using our online service.

DOG LICENSES REQUIRED

Dog licenses are required in the Village of Hartland under Municipal Code Article III Section 14-61. Dog licenses expire yearly on December 31st. The cost per license is \$10 for spayed/neutered animals and \$15 for intact animals. The cost of the licenses increase by \$5 after March 31st.

When applying in person or by mail for a dog license, a copy of the rabies vaccination certificate including name of veterinarian and date of vaccine as well as expiration date must be submitted before a license can be issued per State Statutes. Licenses and payment receipts will be mailed within two weeks. Licenses may also be obtained by coming into the office. The dog license application is available on the Village’s website. www.villageofhartland.com

RETIREMENT

Dennis McCarthy retired from the Dept. of Public Works on Jan. 2 after 28 years of service to the Village of Hartland. Thank you for your many years of dedicated service to the Village!

CONGRATULATIONS!

WINTER PARKING RESTRICTIONS

Winter parking restrictions in the Village are in effect from November 1st through March 31st. Parking restrictions prohibit parking on all Village streets between the hours of 2:00 AM and 8:00 AM. If you wish to park on the street, call 367-2323 after 3:00 PM each day to determine if parking permission is approved or denied for each morning. You may also go to www.villageofhartland.com under Hartland Help Center for the winter parking restrictions and the most current message. If you wish to receive daily messages about winter parking, go to Notify Me

on the Village website to sign up. To receive notifications related to parking restrictions, you will need to provide an email address. If you prefer to receive these messages by text, enter your mobile number. Parking citations will be issued to vehicles that park on any Village street when the message states that parking is denied. A tow notice may also be attached to a vehicle and if the vehicle is not re-moved in the timeframe listed on the notice, the vehicle will be towed at the owners expense.

ILLEGAL SIGN PLACEMENT

Village ordinances prohibit the placing of any signs in a right-of-way owned by the village, county, or state. In addition, permission must be received from a property owner before placing any signs. Any signs observed to be illegally posted will be removed by the police department and discarded. The normal violations we observe involve rummage sale signs, campaign signs and realty signs. Contact the Police Department at (262) 367-2323 if you have questions before posting signs.

DRUG COLLECTION

In order to reduce substance abuse, prevent childhood poisonings and help protect our environment, citizens may bring their unwanted or unused prescription or over-the-counter medications, ointments, inhalers, patches, non-aerosol sprays, creams, vials and pet medications to the Village Hall 24 hours every day for disposal. Green containers are available just inside both the east and west lobbies of Village Hall for the collection of these items. Items not accepted include illegal drugs, needles/sharps, mercury thermometers, aerosol cans, bio-hazardous materials (anything containing a bodily fluid or blood), flares, personal care products (shampoo, soaps, lotions, sunscreens, etc...), household hazardous waste (paint, pesticides, chemicals, oil, or gas) or acids. Remember that no medications should ever be disposed of by flushing down a toilet. Let us dispose of them properly for you. If you have any questions regarding this program, please contact the Police Department at (262) 367-2323.

CROSSING GUARDS

We are looking for people interested in being school crossing guards. An application is available at the police department. The regular position involves two hours of work on school days, one hour approximately 8:00 am to 9:00 am and one hour approximately 3:30 pm to 4:30 pm. We also keep a list of substitutes who will fill positions as needed.

SCAM ALERT

Scammers have spoofed the Hartland Police Department non-emergency number (262-367-2323) to call residents in Hartland. They will indicate that you have a warrant out for your arrest or may request sensitive information, such as your social security number or credit card number. The Hartland Police Department DOES NOT solicit warrant payments or ask for sensitive information over the phone. If you get one of these spoof calls, ignore it and do not call the provided number back. Do not give out any personal information. If you have any concerns call the Hartland Police Department directly at 262-367-2323.

WISCONSIN LAW ENFORCEMENT ACCREDITATION GROUP (WILEAG)

On December 10, 2018 the WILEAG Governing Board met to discuss the results of the November 6-8, 2018 on-site assessment of the Hartland Police Department and the Board voted unanimously to reaccredit the Hartland Police Department for a three-year period, effective December 10, 2018. The Hartland Police Department will be presented the accreditation award on January 18, 2019. Accreditation is a progressive and time-proven way of helping institutions evaluate and improve their overall performance and ensure that law enforcement agencies in the State of Wisconsin are embracing the best policing practices.

BANK ROBBERY 10/13/18

On Saturday, October 13, 2018, at approximately 9:02 a.m. two unidentified suspects robbed Great Midwest Bank, located at 600 Hartbrook Drive in the Village of Hartland, WI. One of the two male subjects displayed a handgun, both subjects fled from the bank after obtaining an undisclosed amount cash and are described as follows:

Subject #1, black male, 45 to 49 years old, approximately 5'7" to 5'9" tall with an average build. He wore a light green zip up hooded jacket, blue jeans, black shoes, sunglasses, and a green stocking cap.

Subject #2, light skinned black male or Hispanic male, in his twenties, slightly taller than subject #1, with a thin build. Subject #2 wore a black hooded sweatshirt, blue jeans, black shoes, and gloves. He wore a hood to cover his head and covered his face with a cloth material to conceal his identity. Subject #2 also displayed a black semi-automatic handgun during the robbery.

A REWARD of \$5,000 is being offer for information leading to the arrest and conviction of the persons responsible for the robbery of Great Midwest Bank in Hartland, WI on 10/13/18.

These subjects are considered armed and dangerous. Do not approach. Anyone with information is urged to call the Hartland Police Department at 262-367-2323, or the FBI Milwaukee Division at 414-276-4684 or www.fbi.gov/tips.

EMERGENCY NOTIFICATIONS

The Hartland Police Department uses the "AlertSense" system through Waukesha County Communications to notify citizens in specific areas of emergency situations. When this system is activated phone numbers within a specified area, cell phones in that area and anyone registered on our "Notify Me" system will get a phone call alerting them to the emergency. Examples where this system may be used are: a missing child or endangered adult, ongoing situations with potential violence, a violent suspect at large in an area, weather events, etc. Notifications will include instructions on what to do or what we need people to watch for. Sign up for notifications at <http://public.alertsense.com/SignUp/?regionid=1140>.

CRIME STOPPERS

Crime Stoppers provides a reward system to citizens that report information about criminal activities. If a citizen has information about a crime and would like to provide that information anonymously, call Crime Stoppers of Waukesha County at 1-888-441-5505 or text "WAUKESHA" plus your message to 274637 (CRIMES). You can also submit a tip online at <http://www.stopcrimewaukesha.com/>.

PLEASE CLEAR SNOW AND ICE!

The Hartland Fire Department is requesting that residents and business owners keep fire hydrants on or adjacent to their property free from obstruction of snow during the winter season. If possible, a three-foot radius clearance would be appreciated. During a fire seconds count, and firefighters can't afford to spend time gaining access to the hydrant.

As the snow and ice pile up over the winter, we are also asking that building owners, property managers and home owners have sidewalks and driveways clear of snow and ice in case of a fire or medical emergency. Having pathways clear allows our medical personnel to move the ambulance cot safely and quickly to and from the emergency. This will help to ensure the safety of the patient and crew.

Avoid slips and falls if you have to go out in icy conditions.

- Keep both hands free for balance rather than in pockets
- Use handrails when available
- Avoid carrying lots of heavy shopping bags, especially on steps
- Wear appropriate footwear. Flat footwear with rubber soles provides better traction on ice and snow than leather soled or high heeled shoes

TIPS TO PREVENT CHIMNEY FIRES

Chimney fires are extremely common in the winter time. When the temperature are low and you want to save on your heating bill, many people turn to a fireplace to save some extra pennies. What many people don't realize through is just how dangerous a fireplace can be. Fireplaces are generally safe heating sources as long as they are properly maintained and monitored by the homeowners. One risk some homeowners don't consider with their fireplace is a chimney fire. These types of fires may be hard to notice until it is too late. Read the 10 tips below to help prevent a chimney fire.

- Have your chimney inspected and cleaned at least once a year by a professional and more than that if creosote builds up on the chimney walls more rapidly.
- Between the professional inspections and cleanings, be sure to check and monitor your wood-burning fireplace for signs of buildup or other problems.
- Your chimney has a cap on the top of it with open sides usually covered in mesh to keep rain, birds, squirrels and debris out. Make sure this cap is regularly inspected and replaced when necessary.
- Check the interior of your fireplace for creosote buildup. It is flammable, therefore too much buildup is a fire hazard and should be cleaned away with a creosote remover as soon as possible.
- Watch out for soot buildup. Soot is softer than creosote, but is also flammable and should be cleaned up regularly.
- If possible, burn hardwoods like oak, maple, ash and birch. These woods burn hot and long, are cleaner to handle, and have less pitch and sap. They also tend to leave less creosote buildup but can be more expensive.
- Any time there is smoke indoors from your fireplace, troubleshoot and immediately correct any problems you find. Possible causes are a dirty chimney, soot or creosote buildup, other debris, or wood not burning completely.
- Consider installing a stainless steel liner that will withstand even the highest temperatures and will keep the embers contained.
- To improve your fireplace's efficiency, you should also consider installing heat-proof glass doors to protect against heat loss and a fan or blower to direct heat into the room. The doors can also keep embers from entering the interior of your home. If you do get glass doors, clean them regularly with a paper towel and glass fireplace door cleaner.
- Clean the interior of your fireplace, including the floor, regularly. Sweep or vacuum up cold ashes. Wear a dust mask and gloves when cleaning your fireplace.

FIREPLACE SAFETY

Before starting a fire, be sure to clean out the ashes. Use a metal container to dispose of cooled ashes and store the container outside. Your chimney should be cleaned and inspected annually, including the flue and damper. Always remember to open the flue or the damper before lighting a fire!

FIREWOOD AND MANUFACTURED FIRE LOGS

- Only burn dry, well seasoned firewood.
- Manufactured fire logs are cleaner and safer than firewood. Never use more than one at a time.
- Never add an artificial log to a natural wood fire that is already burning. Never poke artificial logs or break them apart.

SAFETY TIPS

- Always use a fireplace screen or enclosure to keep sparks from escaping, unwanted material from going in and to help prevent the possibility of burns to occupants.
- Never burn paper, garbage or charcoal in a fireplace.
- Make sure that any decorations are well away from the fire.
- Before you go to sleep, be sure your fireplace fire is out. Never close your damper with hot ashes in the fireplace. A closed damper will help the fire to heat up again and will force toxic carbon monoxide into the house.
- Do not use flammable liquids to start or accelerate any fire.

EXTINGUISHING THE FIRE

- Make sure that the fire is out before you go to bed or leave your home.
- If you have to extinguish a fire NEVER USE WATER. Instead use sand or cat litter.
- Never close the flue until the fire is completely out; you must wait until it is done smoldering.
- Keep a fully charged ABC fire extinguisher nearby and know how to use it!

BATTERY OVERHEATING

Unofficial iPhone chargers are available on the internet at a reduced rate, however they could be the cause of a number of fires each year. It is possible that sub standard wiring is the problem with some after market charging cords. A central part of the safety concerns experts have with products bought online focuses on generic chargers advertised as being compatible with a number of devices. Officials state that because different devices require different levels of charge, generic chargers run the risk of putting too much energy into a device, causing the battery to overheat. Branded chargers are less likely to cause that problem because they are specifically designed for each particular device. Consumers should use the charger supplied with a product whenever possible. If you cannot, the fire department recommends the purchase of approved products. We advise consumers to:

- Only buy approved chargers for products
- Follow the manufacturer's instructions
- Contact the manufacturer directly if in doubt
- Use the right charger for the right device

CARBON MONOXIDE

Carbon Monoxide is a colorless, odorless and tasteless gas which is toxic to humans in concentrations greater than 35 ppm. On average, 170 people in the US die every year from CO poisoning. In many instances individuals may become ill and require medical intervention. Symptoms of CO poisoning include headache, fatigue, shortness of breath, nausea, dizziness and mental confusion. In high level concentrations symptoms include loss of muscular coordination, loss of consciousness and ultimately death. Prevention of CO poisoning includes making sure that all fuel burning appliances are installed, vented and operating properly.

Carbon monoxide alarms are required by law in Wisconsin in every home on every level near sleeping areas. Existing homes may install any type of CO alarm including battery, plug-in or combination smoke/CO devices. New construction must be hard-wired with a battery back-up. It is recommended that you test your alarms monthly, replace alarms according to manufacturer's instructions and check/replace batteries twice a year. Alarms should never be disconnected or unplugged. Batteries should never be removed for other uses.

CURBSIDE COLLECTION SERVICE

Residential property owners have received two carts; one 64-gallon for garbage and one 96-gallon for recycling. Both refuse and recycling is collected from all households curbside on Tuesdays. Refuse/garbage is collected weekly from the container provided while recyclable materials are collected every other week. The 2019 garbage/recycling calendar on the Village's website shows recycling dates as either Week A or Week B. Locate your street on the correct recycling map to verify your pickup dates.

Residential property owners are required to bring the carts to the curb by 6:30 a.m. on collection days. All garbage and recycling materials must be kept separate and placed inside their respective cart. Important reminders:

- Do not place the carts in the street
- Place carts with the handles and wheels facing away from the street
- Containers must be at least 3 feet apart from each other and other items such as poles and mailboxes.

- Do not place your containers out earlier than the day before collection day and be sure to take them back by the morning after collection day

Households that may need additional capacity for refuse and recycling have several options including the purchase of additional collection service. Households that are physically unable to move the containers to the curbside are encouraged to contact the Village.

SNOW REMOVAL

The Village of Hartland is again asking for the assistance of residents to ensure the success of winter snow removal operations.

- **Recycling cart placement.** Cart must be placed with lid opening toward the street at the back of the curb or shoulder (do not place in roadway) and a minimum of 3 feet from normal trash or other obstructions.
- **Utilize your driveway or clear an area along side of your driveway to safely place your recycling and refuse container.** Maintaining proper clearances as described above will make it safer and easier for collection personnel and automated equipment to efficiently empty your containers. Remove the emptied containers shortly after collection.
- **Snow should never be shoveled, plowed or blown into the street.** This creates a hazardous condition for motorists and may require return trips by the snowplow to clear the street. In addition, State Statutes and Village Ordinances prohibit this action and doing so may result in a fine.
- **Residents are asked to move parked vehicles off of the streets prior to snowfall events.** Parked cars are a hindrance to snow removal operations requiring more time and costly return trips to effectively clear the streets. Residents are asked to move their vehicles off the street whenever snow accumulations are forecasted.
- **Sidewalk snow should be moved to the front yard instead of the area between the sidewalk and the curb.** This provides more snow storage capacity between the sidewalk and the curb for snow removal from the street.
- **Shovel snow from around fire hydrants.** Residents are asked to clear snow away from fire hydrants located near your property. This effort helps the Fire Department and Water Utility to manage the water supply system and to quickly respond to emergencies.
- **If your property is near a crosswalk, clear snow from accessible ramps.** This will allow easier passage for all pedestrians.

PARK SHELTER RENTAL

Interested in renting a park shelter for an event in 2019? Complete the [reservation application](#) form on the Village website and submit it with the required fees/deposits. Reservations are processed on a first-come, first-serve basis beginning January 1st of each year. All rental fees include Wisconsin sales tax.

The Village of Hartland has:

- Facebook
- Twitter
- YouTube Channel - stream Village Board meetings
- Hartland Happenings - weekly electronic newsletter

Visit the Village of Hartland's website (villageofhartland.com) to follow and sign up!

Join us online! Stay Up to Date!

LURE & LORE OF SPICES

Presented by The Spice House of Milwaukee, the history of the spice trade is filled with fascinating tales of piracy, adventures and war. Facts, anecdotes and tales of their pursuit of highest quality spices from all over the globe will be shared. Plus, they will bring spicy goodies to take home! Join us on January 23 at 6 p.m.

POWERFUL TOOLS FOR CAREGIVERS

This six week workshop held on Wednesdays from 1:00 to 2:30 p.m. Feb. 6 through 13 improves self-care and reduces stress, develops skills for handling difficult emotions such as anger, guilt and depression, builds confidence while handling caregiver demands and making tough decisions, teaches effective communication skills helpful when dealing with family members, doctors, paid help and care receivers and assists with community resources.

GIVE BLOOD Blood Drive for the Red Cross on Feb. 15th from 9:30 a.m. to 2:00 pm. Drop-ins welcome!

You can make a difference.

MEMORY CAFÉ

Mar. 1 10:30 a.m. to noon

First time attendees please contact the Alzheimer’s Association at 800-272-3900.

SUPPORT THE LIBRARY

To raise funds for various projects, the library is collecting receipts from any Fox Bros. Piggly Wiggly grocery stores. Fox Bros. will kindly donate a portion of the sales based on the totals of the receipts. Just drop your receipts in the box at the Circulation Desk. Please do not cut off any part of the receipt.

CHILDREN’S PROGRAMMING

Story Time Story time is designed to promote literacy, language development, and a love of books through fun stories, songs, and crafts. Please call the library at 262-367-3350 to register.

STORY TIME RUNS JAN. 15 - FEB. 22 TUES., WED., OR THUR. AT 10:00 A.M. SIGN UP STARTS JAN. 7

CRAFTERNOON

Jan. 15, Feb. 19 4:30–5:30 p.m.
Join us for hands-on craft. Call the library to register.

CHECK IT OUT!

Stop in and check out our new Tinker Totes! Sixteen totes are available for checkout. These STEM inspired totes bring creative thinking home. Choose from ozobots, ukulele, Fairytale STEM kit and more.

HONOR FLIGHT DISPLAY

We are excited to be hosting the Stars and Stripes Honor flight display. This beautifully curated display depicts one day on the Honor Flight. From start to finish, you will walk through the flight, the memorials, and the people touched by our veterans. Stop in January 5th through January 25th to pay tribute.

HISTORY OF VALENTINES AND VICTORIAN COURTSHIP

Feb. 16 1:00 p.m.

Bygone days will be featured in time for one of our favorite holidays. Historical items will be displayed and the speaker will come in a Victorian costume.

Library Hours:
 Mondays - Thursdays: 9:00 a.m. to 8:00 p.m.
 Fridays: 9:00 a.m. to 5:00 p.m.
 Saturdays: 9:00 a.m. to 4:00 p.m.

2019 REVALUATION PROJECT UPDATE

The 2019 revaluation project started after the conclusion of the 2018 Board of Review with the acquisition of aerial maps and other supplies. Per WI Statutes, written notices of pending inspections were sent to each property owner of record. Exterior-only property inspections of all locally assessable Village parcels started in the summer and were completed by late fall. Other interior and/or exterior inspections were completed for all open building permit projects that typically impact the value of a parcel. Again, notices of pending inspections were sent in the mail to residential property owners and appointments were made to accommodate the property owner's schedule where an interior inspection was needed. Those permitted projects that were still under construction as of January 1st have been noted as to their status/percent of completion and reminders added for follow-up inspections for the 2020 roll. (Those properties still under construction as of January 1st were inspected within two weeks of that date to determine their status.)

Property information collected during the revaluation inspection process and annual on-site inspections is being data entered into the Market Drive PC assessment software which is used to store and organize the digital information. This data is being reviewed and reconciled on a property type basis with associated market location considerations. Sales records from the last few years in the Village are also being analyzed and reconciled. Based on this sales data, the residential valuation model has had initial market updates to reflect the current market sales indicators. The analysis of sales helps build a valuation model which then can be applied to all properties to produce assessments that are uniform, equitable, and fair as they relate to the current real estate market that the properties are a part of. This process was started in the fall of 2018 will continue through the early spring as year-end sales data is acquired/verified.

All properties in the Village will be individually reviewed with comparable sold properties, market cost data and market rental data (per questionnaires sent to commercial income producing property owners where appropriate) as part of the final reconciliation process to produce uniform and equitable values that are in line with the current market. When the 2019 assessed values are finalized, Grota Appraisals will mail new notices of assessments to all property owners and give a copy of the initial 2019 assessment roll to the Village Clerk for review. A letter of explanation will be included along with the new notice of assessment indicating the dates/times for the Open Book session which is a good time to ask questions and present evidence of differing opinions of value to the assessor before the formal Board of Review meetings begin. Once the project is completed, we feel that many of the issues regarding uniformity and equity from previous assessment years will have been resolved.

VOLUNTEER TO SERVE ON A COMMITTEE

Do you want to make a difference in your Community? Are you interested in preserving the natural areas and environmental corridors within the Village? Then the Village's Environmental Corridor and Open Space Committee is a great opportunity for you to get involved. The Village of Hartland is looking for dedicated residents to help protect and maintain the Village's natural resources. The Environmental Corridor and Open Space Committee is a permanent follow-up to the Environmental Corridor and Open Space Task Force that evaluated and developed recommendations on Village-owned parcels of land that contain stands of woods, wetlands, open fields and other areas including portions of the Hartland Marsh, public parks and privately held lands.

We are looking for people to develop and implement programs, work party events and activities to follow the goals and recommendations in the Task Force Report. The committee will also help maintain an inventory of Village owned, other publically or non-profit held and privately held parcels of land that contain environmentally sensitive corridors within the boundaries of the Village of Hartland and monitor and assess the condition of those environmental areas.

Additionally, there are opportunities to serve on other committees such as the Board of Zoning Appeals. If this sounds like a great way to be involved, please complete and submit a Volunteer Profile Sheet or stop by Village Hall.

BUYING OR SELLING A HOME?

Please contact our office when buying or selling a home to make sure that your Water & Sewer Account has the correct billing name and address on it. The only way we find out if a home has sold is if the buyer or seller provides us with that information. Please email the information to faithk@villageofhartland.com or call 262-367-2714.

SUMMER CAMP REGISTRATION

**Friday, March 1, 2019
Summer Camp
Registration Begins!**

Stop in and sign up your child on
Thursday, March 7 or Wednesday, March 13
5:00 pm - 7:00 pm

Get all your questions answered by
Camp Coordinator Jenny.

Village Hall Top Floor
210 Cottonwood Ave, Hartland, WI

VILLAGE OF HARTLAND IS AN ICE AGE TRAIL COMMUNITY

The Village of Hartland entered into a Memorandum of Understanding in September of 2015 to become a Trail Community and became the first to participate in the Ice Age Trail Alliance's new Community Partnership. A segment of approximately 4.7 miles of the 1,000-mile long Ice Age National Scenic Trail passes through Hartland. While the entire trail is still under development, those portions passing through Hartland have been completed. The Aldo Leopold Overlook and Cottonwood Wayside, and the John Muir Overlook and Maple Wayside are a part of the Ice Age Trail. The Ice Age Trail also passes through Nixon Park, Bark River Park, Hartbrook Park, and Centennial Park.

The Ice Age Trail is more than a path through the woods. It is a place for mental and physical rejuvenation, a place to unwind after a hard day and enjoy the landscape of Wisconsin. More than 1 million people use the Ice Age Trail each year to hike and snowshoe, to backpack, to disconnect and reconnect. A hike on the Ice Age Trail can be as simple as an after-work jaunt on a suburban segment or as challenging as a once-in-a-lifetime thru-hike.

More information about the Village of Hartland's Segment of the Ice Age Trail can be found at www.iceagetrail.org.

LETS MAKE ARTISAN BREAD

North Shore Middle School

18yrs+

Fresh baked bread smells and tastes soooo good. Making your own artisan bread can cost less and help you avoid additives and pre-servatives. Making artisan bread using the “no knead” method isn’t hard or time consuming. Each step will be demonstrated in class. Sample white, part wheat and whole wheat breads. Each person will have a chance to start a loaf to finish at home and multiple recipes will be included.

DAYS	DATES	TIMES	PRICE
THRS	JAN 31	6:30 PM - 8:30 PM	\$19R & \$22NR

POTTERY ON A POTTER’S WHEEL

Lake Country Fine Arts

18yrs+

Explore your potting passion by watching and trying to throw pots on the potter’s wheel. After a thorough demonstration you will be given the chance to make your own pots the first 2 weeks. The third week you will glaze the pots with food safe glazes.

DAYS	DATES	TIMES	PRICE
TUES	MAR 5 - MAR 19	12:30 PM - 2:30 PM	\$132

HARTLAND WALKING CLUB

Hartland Public Library

18yrs+

Make new friends and discover the segment of the Ice Age Trail that runs through the Village of Hartland. Jeff and Rod will guide you through the Ice Age Trail and streets of Hartland. They are both avid hikers and extremely knowledgeable about the Ice Age Trail that runs through Hartland. All ages and walking abilities are invited. If weather is questionable please check our website www.villageofhartland.com or Facebook page to see if the club is meeting. **Advanced registration is required.**

DAYS	DATES	TIMES	PRICE
WEDS	MAR 13	10:00 AM - NOON	FREE
SAT	MAR 16	10:00 AM - NOON	FREE
WEDS	APR 10	10:00 AM - NOON	FREE
SAT	APR 20	10:00 AM - NOON	FREE

INTRO TO MEDITATION

CREATING PEACE IN EVERY DAY LIFE

North Shore Middle School

18yrs+

In this class you will learn: two methods of meditation which are used by millions of people throughout the world, the remarkable health-giving benefits of meditation, common stumbling blocks to meditation and how to overcome them and two proven breathing practices to center your mind and calm the body.

DAYS	DATES	TIMES	PRICE
MON	FEB 25 - MAR 18	6:30 PM - 7:45 PM	\$56R & 68NR

MEMORIES IN THE MAKING

Wagner Park, Pewaukee

18yrs+

Memories in the Making® Watercolor painting session for families living with early-stage dementia. Memories in the Making offers the opportunity for artistic expression. Come have fun, relieve stress and foster your creativity. No experience necessary! **Advanced registration is required.**

DAYS	DATES	TIMES	PRICE
THRS	FEB 7 - FEB 28	1:00 PM - 2:30 PM	FREE

BINGO

Little Red School House

18yrs+

Join Hartland Lakeside School District for an afternoon of BINGO! Prizes will be given. **Advanced registration is required.**

DAYS	DATES	TIMES	PRICE
WEDS	FEB 20	1:00 PM	FREE
WEDS	MAR 20	1:00 PM	FREE
WEDS	APR 17	1:00 PM	FREE
WEDS	MAY 22	1:00 PM	FREE

Register online at villageofhartland.com or in-person at the Hartland Recreation Department 210 Cottonwood Avenue, Hartland, WI.

LITTE WARRIOR KID'S YOGA

Hartland Community Center

Ages 2 - 6+

Little Warrior Kids Yoga offers a creative way to introduce Yoga, Breathing and Mindfulness to children. Each week a new theme (Outer Space, Under the Sea, On the Farm, Dinosaurs, etc.) is introduced that takes your child on a magical yoga journey while building on the skills they learned the week before. Classes begin with a warm-up, followed by new pose introduction. Then we will read a book incorporating the poses we learned, play a mindful game and end with a high intensity song. The session will end with a Mindful Meditation on a journey to our Secret Gardens. The last 15 minutes incorporates a take home craft. Ideal class age is 3-6 years old, but children younger than 3 will still benefit from the class. Parent participation is welcome but not necessary. Please bring a mat if you have one.

DAY	DATES	TIMES	PRICE
MON	FEB 4 - FEB 25	10:00 AM - 11:00 AM	\$50R & \$60NR
MON	MAR 4 - MAR 25	10:00 AM - 11:00 AM	\$50R & \$60NR

SPRING BREAK CAMP

Hartland North Elementary

Ages 6 - 12

Youth ages 6 - 12 will participate in crafts, games and special events. Youth must be signed up in advanced and emergency contact form must be filled out and handed into the Hartland Recreation Department prior to the first day of camp. Registration is only done by mailing in the registration and emergency contact forms and in-person. Participants should bring two snacks, water, lunch and tennis shoes. The fee is \$120 for the whole week.

DAYS/DATES	TIMES
MON, MAR 25 - FRI, MAR 29	8:00 AM - 4:00 PM

For registration information, please contact the Hartland Recreation Department at 262-367-0352 or email kelly@villageofhartland.com.

DRIBBLE DRIBBLE 102

Hartland North Elementary

Ages 4 - 8

Participants are highly- encouraged to have taken both Fundamentals of Basketball and Dribble Dribble 101. We will increase ball-handling techniques with 1- on- 1 move to the basket along with more repetitious dribbling. **Class will not be held on March 28.**
